**Which statement do you agree with most?**

The most important thing government should do about the economy is:

|   |     |
|---|-----|
| Increase jobs and wages                               | 936 |
| Reduce taxes  | 655 |
| Regulate as little as possible; let the market decide | 185 |
| Regulate Wall Street and Big Banks                    | 129 |
| Reduce income inequality                              | 119 |

**Which statement do you agree with most?**

|  |     |
|--|-----|
| The U.S. should avoid getting involved in wars in other countries.                       | 903 |
| The U.S. should use its military to support democracy, not dictators.                    | 368 |
| The U.S. should use whatever military force it needs to in order to remain a superpower. | 329 |
| If the U.S. doesn't fight elsewhere, we will be attacked here.                           | 283 |
| U.S. interests like our oil supply come first, regardless of human rights elsewhere.     | 136 |

**Which statement do you agree with most?**

|   |     |
|---|-----|
| Health care should be provided by our governments as a basic human right, paid for by taxes.  | 651 |
| Governments should work with insurance companies to make sure everyone has health care, and subsidize premiums if necessary.              | 527 |
| Governments should stay out of health care and leave it to the private sector and charities. Health care is an individual responsibility. | 438 |
| Governments should provide health care only for the neediest.   | 266 |
| Health care should use a single-payer system like Medicare does, not multiple insurance companies.  | 129 |

**Which statement do you agree with most?**

|   |     |
|---|-----|
| Undocumented aliens who don't break the law and have been in the U.S. paying taxes for years should have a path to citizenship. | 814 |
| Providing a path to citizenship will just encourage more immigration.   | 495 |
| All 11 million-plus undocumented aliens should be deported.   | 456 |
| Our economy depends on undocumented aliens taking jobs Americans won't do.  | 232 |

**Which statement do you agree with most?**

|   |     |
|---|-----|
| We can't allow lies in campaigns and then expect ethics in office.                                      | 729 |
| Candidates have free speech; elected officials are limited by their oaths of office.                    | 303 |
| Elected officials should work toward bipartisanship and compromise.                                     | 293 |
| People, corporations, parties, etc. should be allowed to spend as much money as they like on campaigns. | 266 |
| Politics is like a football game: winner takes all.   | 230 |
| Campaign contributions should be banned, and campaigns paid for by taxes.                               | 163 |
